When I first started this series, I had a dream to revive all those overused, dead, and old slang phrases. But while drawing the aggressive Itsuki, all those thoughts apparently dumped in on him, (it just happend right?) Thanks to Itsuki, I was able to continue writing my stories and relay my thoughts.

1 HANA AYUKAWA

five year old Itsuki is the type of sexy nice guy that every girl in the world wants. But what's this? There's actually a girl that doesn't fall to his charms?! Plus that she only likes tall men, what will Itsuki do in order to capture her heart?
